DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 2-19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 2-8 and 10-18 are rejected because the preamble of each of these claims does not correspond to the preamble of the corresponding base claim. The preamble of each of claims 2-8 should be directed to a cryogenic compressor as recited in base claim 1. The preamble of each of claims 10-18 should be directed to a cryogenic refrigerator as recited in base claim 9.

Claims 6, 9, 13, 14, and 19 are rejected since they each contain multiple sentences. These claims should be rewritten as single sentences. Claims 10-12 and 15-18 are also rejected since they depend from rejected claim 9.

Allowable Subject Matter

Claim 1 is allowed.

Claims 2-19 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Art Unit: 3744
